Untitled Document

```
function randomString() {  
  var chars = "0123456789";  
  var string_length = 8;  
  var randomstring = "";  
  for (var i=0; i<string_length; i++)  
    randomstring += chars.charAt(Math.floor(Math.random() * chars.length));  
}
```

Winners Announced on my Blog on 2 October.

Good Luck and Go To It Now! Don't Delay, there is only 2 days to do this!
Trouble shooting: Button Does Make Number

If the Secret Number Button does not work, just make up a number and add your first name to it: ie 12457859Bill and paste this into the comment box on Youtube.
